We see that Prof. W. C. Ogier has again been chosen superintendent of the De Soto schools.

The primary election of 1906 will be recorded in history as the quietest ever known in this county.

A number of people from the Valley will attend the Drummers' celebration at Poplar Bluff next week.

The fishermen who were on St. Francis river all last week did not get very many fish. The weather was too cold.

Mr. and Mrs. Henry Adolph have the sympathy of many friends in the death of their little babe last Saturday.

A large number of former residents took advantage of the excursion last Sunday and spent the day in the Valley.

Our summer is starting in dry—just like it did last year. And then the remainder of the summer was unusually wet.

We are informed that P. O'Brien and family, who went to Los Angeles last year, are thinking of going to Old Mexico.

Mrs. Woodside is in St. Louis buying millinery goods, ready-made skirts, etc. The new goods will arrive this week.

The "lid" was on the excursion train good, hard and plenty, and tight and fast. Soda water was all there was to be had.

No service will be held at St. Paul's church to-night as the minister is attending the Diocesan Convention at St. Louis.

Opening day at the St. Louis Cash Store next Saturday, May 19th. A souvenir to every purchaser. See ad. on the first page of this paper.

Services will be held in St. Paul's church Sunday as follows: Holy communion, 7:30 A. M.; holy communion and sermon, 11 A. M.; evening prayer and sermon, 7:45 P. M.

The Reynolds county circuit court, which convenes May 23rd, promises to be a long one. Mr. Buford, the clerk, tells us that court will probably be in session a month.

The excursion from St. Louis last Sunday was well patronized and the visitors had a lovely day in the Valley. The weather was all that could be asked. The next excursion will be June 17th.

Emil Roehry writes that he will be home from the University in Columbia in about a month. He will get through with school about June 7th, and then the University Glee Club, of which he is a member, will make about a two weeks' tour.

The recorder Tuesday issued a marriage license to Horace A. Smith and Mrs. Myrtle Walden—both of Iron county. Mr. Smith bought the Elgan farm, west of town, several months ago.

No doubt Rev. A. Sifton enjoyed reading his obituary last week in the Poplar Bluff Republican. We are glad to note that he is still alive and doing much work for the Master.—Charleston Courier.

Everet Hughes of Bellevue recently sold his farm on Cedar creek to Chas. Thompson and a man by the name of Hardin from Washington county. The matter was closed up in the probate court here Tuesday.

On an inside page we this week commence the publication of a new serial, entitled, "Under the Red Robe." This promises to be a very interesting story and we have no doubt will be much enjoyed by our readers.

The primary election will be held next Saturday. Although the contests are few, every Democrat who can should go to the polls. Let us have a full and free expression, and then we'll pile up the majority in November next.

Dr. Will Keaney, a well known physician of De Soto died of ptomaine poisoning last week. About twenty-five years ago Will Keaney was a bright boy at the Arcadia College, and many of the old residents will remember him.

Arrangements are being made to hold a tent meeting in Arcadia about July 1st. A revivalist from Georgia will have charge. The services will be under the auspices of Fort Hill Church, and the tent will be pitched in the Arcadia Hotel grounds.

Hon. C. M. Buford, of Reynolds county, candidate for the Democratic nomination for State Senator in this district, has been interviewing the Iron county voters this week. Mr. Buford is now alone in the race, and is certain to be our next Senator.

FOUND—Sunday, just after 12 o'clock, between Dr. Summa's and W. H. Delano's, a handkerchief and leather purse, containing some bills and coin. Owner can have same by applying to this office, proving property and paying for this advertisement.

There seems to be an impression that in view of the deadlock in the school board, the directors will refer the selection of teachers to the voters of the district. Hold an election and let each voter express his preference for teacher for the various departments, is the plan.

Prof. Thomas of Carleton College, Farmington, Mo., will preach at the Methodist church next Sunday, May 20th. The pastor is visiting home folk in Illinois. There will be no services Sunday, May 21st. Everybody be sure to hear Rev. Thomas. A. J. MAY.

Sheriff Marshall left Sunday night for Jefferson City, having in charge Jas. Sutton and Charles Dunn. The former was sentenced to a three years' term in the penitentiary, and the latter two years. Both were convicted of burglary at the late term of the circuit court.

A brand new Democrat arrived in town last Saturday evening, May 12, 1906. He was in a hurry and refused to wait for the 5:27 train but put in an appearance at 4:55. He is stopping at the home of the junior, and will call "Uncle Eli" "grandpa." All are doing well.

The colored population—local and soldiers—had a dance in the old Bonanza store building Thursday night. It is said that some time during the night there was a disturbance of some kind, but the matter was hushed and not brought to the attention of the officers.

Mrs. Woodside is in St. Louis again this week replenishing her stock of spring millinery. In addition to the millinery goods she will have on hand a fine line of ready-made skirts. The ladies are respectfully invited to call and examine before making purchases elsewhere.

The recent purchasers of the Emerson property have had a force of men at work there the past few weeks cleaning up the yard and trimming the trees. The lake will be drained and stocked with game fish. We understand that an offer of \$12,000 for the property has been refused.

Mr. Hummel is over in Reynolds county this week. He tells us that the White & Hummel Manufacturing Company are about to arrange to raft a lot of logs down Black river to the factory at Leesterville. He says that if this can be arranged they will have worlds of timber for years to come.

To the Arcadia Creamery we are indebted for a freezer of most delicious ice cream, presented last Sunday—the first run of the season. It was frozen in brick form, in three different colors, and as fine as we ever put in our mouth. Evidently the man in charge of this department of the institution is an expert.

Highest market price paid for Country Produce. When others pay 10c per dozen for Eggs, we pay 12-1-2c, and when others pay 12-1-2c we pay you 15c. Remember, we buy Wool, Hides, Feathers, Roots, Butter, Eggs, and all farm products, and pay the highest market price.

The Emerson property was written up in Sunday's Republic by Robertus Love, the journalist now making his headquarters at Arcadia. Mr. Love writes that the Ironton syndicate that purchased the property recently expects to sell the same to the government to become a part of the national park it is hoped to establish in the Valley.

Trade has been so far beyond all expectations this year that Mrs. Woodside has twice had to go to St. Louis to replenish her stock of millinery goods and novelties. She is in St. Louis now selecting another large stock and promises the ladies that if they will call she is quite sure they will find just what they want in her selection.

Ironton Camp No. 3755, Modern Woodmen of America, will have a memorial service at I. O. O. F. Hall, on first Sunday in June, 1906. All members are urged to meet at the hall at 1 o'clock, June 3d; will march from hall to cemetery for the purpose of decorating and looking after deceased Neighbors' graves. By order of Camp.

We see from a late issue of the St. Louis Republic that Rev. Thos. F. Marshall, formerly of this city, has resigned his pastorate at Jerseyville, Illinois, to become dean of Lindenwood College at St. Charles, Mo. Mr. Marshall assumes his new duties beginning with the school year September 1st next. His Ironton friends are glad to know that he is doing well.

The school board met Saturday evening and took fifteen ballots without electing a principal for next year's school. Directors Reyburn, Collins and Fisher voted for Prof. Daugherty to succeed himself, and Directors Buckley, Gay and Schwab voted for a man by the name of Randall for the position. Adjournment was taken until June 6th, when the election of teachers will again be considered.

A petition signed by about five hundred persons asking that the question of the removal of the county seat from this place to Ellington, be submitted to a vote at the general election in November, was filed in the county court Monday. The court, after due consideration and examination of the petition, ordered that the question be submitted to a vote as prayed for in the petition.—Reynolds County Outlook.

The old reliable Arcadia Valley Gardens now has the finest plants in years—cabbage, sweet potato and tomato—ready for transplanting. Fifty years in business has given me considerable information as to the varieties best suited for this section. Always have a fine line of vegetables on hand. Call me up by phone or let me know when you want anything in my line. JNO. NEWMAN, Ironton, Mo.

On June 11th, President Taylor of the Springfield Normal School and Business College, will transfer the Normal Department to the State Normal School. He will be employed by the State as principal of the preparatory or sub-normal department. This will bring him in close touch with young teachers and beginners, in whom he takes a great interest. To enable young persons of this class to attend the summer term of the State Normal, he will advance the money to those not financially able to pay tuition and board and let them pay him next fall. This applies only to those reviewing or taking second grade work.

I acknowledge with pleasure the gift of a copy of Mr. Albertus Love's "Poems All the Way From Pike," with the author's autograph. As it has been in my possession less than twenty-four hours, and as we are now having a vocalized poem at the house, I have so far had opportunity to glance at but one or two of the verse-subjects. From them I anticipate much pleasure in the reading of the volume. The contents treat of Missouri scenes and ideals and happenings, and all are local to the home of the long lamented Joseph Bowers. With Mr. Love's permission I shall copy from his book as the weeks fly by. He is now a resident of Arcadia.

To the editor and the city editor of the IRON COUNTY REGISTER:

MAY 12, 1906.  
Who wears the broader smile to-day,  
And gives the more cigars away—  
Or cares the less what people say—  
Pa or Grandpa?

JULY 12, 1906.  
When darkness wraps the Valley o'er,  
And sleep is killed by infant's roar,  
Who is it that will walk the floor—  
Pa or Grandpa?

SEPTEMBER 12, 1909.  
A boy in need of discipline,  
And one, would with a whip begin,  
And one, with "suspension"—who will win—  
Pa or Grandpa?

More questions yet the mind appall,  
But space forbids to put them all.  
For answer to these few we call  
On Pa—or Grandpa.

# WATERPROOF

The roofing that is absolutely waterproof is the only one that you should consider for your building. Tin and galvanized iron roofs rust and corrode, causing leaks; and shingles are also unsatisfactory because of their inflammability.

## REX FLINTKOTE ROOFING

is treated with our own compounds that make it waterproof and fire-resisting. It is used on thousands of factories, farms and dwellings in the United States and Canada. Anyone can lay it.

Our book, which we will send free, together with samples, will give you valuable points on roofing.

Rex Flintkote Roofing is fast becoming the universal roofing.
